

Greetings!

The individual who gave you this form is applying to be a part of the "On Eagles' Wings" Summer of Hope outreach team (a ministry of Hutchcraft Ministries, Inc.)

"On Eagles' Wings" is a Native American leadership development team of young adults. The goal of this inter-tribal team of Native American "ambassadors of hope" is to be "make a difference" people for other Native young people. They believe they can best make a difference by being models of hope and faith for their generation of Native Americans. They are a group of Native young people who desire to present to their people the hope that can be found in a relationship with the Creator God, Jesus Christ.

This month-long trip is very intense, both spiritually and interpersonally. Due to all that the team goes through in a month, there is great value in us knowing as much information as possible prior to reviewing an application.

Your input will be extremely helpful to us as we evaluate and select our team for this year. We appreciate your taking the time to provide us with this CONFIDENTIAL information concerning this applicant.
